

# ST. THOMAS SCHOOL

## Labyrinth Pavers

*celebrate · commemorate · participate*

St. Thomas School invites all members of the community to purchase an engraved paver to honor a student, a friend, a teacher, alum, or in memory of someone special. The labyrinth is a lasting part of the STS landscape. Each time you visit the campus, you can walk the labyrinth and be reminded of your gift to the school.

### Placement

The labyrinth is located in the courtyard between the school and St. Thomas Church. Pavers will be placed randomly throughout the labyrinth.

### Details

Pavers are 9in x9in. Each paver allows three lines of text with 20 characters per line, including spaces and punctuation. Text will be centered and uppercase. St. Thomas School reserves the right to approve all text prior to installation.
